

EXPO Equipment Specifications

The printing and installation of the posters/graphics for the back wall of the exhibit booth are included in the EXPO fee. Exhibitors will be required to provide a file document in the format specified (PSD or AI, see specs below). To have a clean, consistent look, we would like all exhibitors to incorporate their graphics into their booth background, rather than have multiple, stand-alone pop-up units. Overall, this will reduce exhibitors' shipping costs to the hotel and allow for easy access to conference visitors and attendees.

Standard Item	Specification	Qty
System partition/structure	70/100x250cm/H	1 set
Carpet	300x200cm	1 pc
IBM table	180x60x75cm/H	1 pc
Meeting Chair		2 pcs
Waste basket		1 pc
Spotlight		3 pcs
Poster decoration*	A: 97x150cm/H	2 pcs
Poster decoration*	B: 68x150cm/H	1 pc

*Registered exhibitors will receive details via email for submitting poster graphic files from Tracy Broz (tracy.broz@swtest.org)

If you have further questions about your booth or graphics, please contact Maddie Harwood (maddie@cemamerica.com) or Tracy Broz (tracy.broz@swtest.org)

Each booth includes one (1) long table and two (2) chairs per the specifications as well as three (3) spotlights and the graphics on the back wall.

Any additional items (power strip/electricity, a shelf, a display box , storage cupboard, monitor or other A/V) must be ordered separately.

Additional order	Specification	Price (USD)
