Semiconductor Wafer Test Asia

(3rd SWTest Asia Conference)

October 26-28, 2022

Sheraton Hsinchu Hotel, Zhubei City, Taiwan

Taiwan to end quarantine and adopt 7-day self-initiated prevention policy for arrivals on October 13

Related border restrictions will also be lifted starting October 13

Covid-19 quarantine protocols will no longer be required

On 29-Sep-2022, the Taiwan Central Epidemic Command Center (CECC) announced that, effective 00:00 on October 13 (incoming flight's scheduled arrival time), arriving travelers are no longer required to quarantine.

Travelers will be required to undergo a seven-day period of self-initiated epidemic prevention after arrival.

Entry Visa requirement for Taiwan will be suspended

Entry visa requirements will be suspended - https://www.boca.gov.tw/cp-149-4486-7785a-2.html

Booking a Room at the Hsinchu Sheraton Hotel for SWTest Asia 2022

With the removal of the 3+4 quarantine requirement, rooms at the Hsinchu Sheraton can be reserved according to your arrival date for the conference. Attendees arriving after 13-Oct, do not need to reserve a room at a Q-Hotel.

Reserve your room for the conference at the negotiated group rate!

- https://www.marriott.com/event-reservations/reservation-link.mi?id=1660206230950&key=GRP&app=resvlink

Make your hotel reservations before the deadline date of October 17, 2022. Reservations made after this date will be accepted by the Hotel on a space available basis at the conference group rate.

Covid-19 Protocols at the SWTest Asia Conference

SWTest Asia 2022 will be following the "Guidelines of Pandemic Prevention Protocols for Conference and Exhibition Venues" as stipulated by the Taiwan Ministry of Economic Affairs and the CDCC. SWTest Asia may need to revise the program schedule without notice.

To attend the SWTest Asia conference, participants must abide by the following:

- All visitors must provide correct contact information
- All visitors are strongly encouraged to complete at least 3-doses of Covid-19 vaccine before the conference
- All visitors should self-confirm a negative rapid test result before entering the conference venue
- All registered attendees will be required to wear masks during the technical sessions, Expo, and events
