

Semiconductor Wafer Test Asia

(3rd SWTest Asia Conference)

October 26-28, 2022

Sheraton Hsinchu Hotel, Zhubei City, Taiwan

Travel Information for SWTest Asia 2022 (updated 9-Sep-2022)

SWTest Asia 2022 will be following the “Guidelines of Pandemic Prevention Protocols for Conference and Exhibition Venues” as stipulated by the Taiwan Ministry of Economic Affairs and the CDCC. SWTest Asia may need to revise the program without notice on a rolling basis depending upon the status of the epidemic.

To attend the SWTest Asia conference, participants must abide by the following:

- As **12-Sep-2022**, visitors from US, Europe, and diplomatic allies do not have to apply for an entry Visa:
 - https://www.cdc.gov.tw/En/Bulletin/Detail/ETTB_lfNo2OLTy5fTTGicg?typeid=15
- All visitors must provide correct contact information
- All visitors are strongly encouraged to complete at least 3-doses of Covid-19 vaccine before the conference
- All visitors should self-confirm a negative rapid test result before entering the conference venue

Entry Visa for Taiwan (if needed)

Upon direct request, the SWTest Asia Team will provide a confirmation letter for an entry Visa application for individuals that have (1) already registered for the conference; and (2) have paid the full conference registration fee. Under no circumstances, will a Letter of Invitation be provided to any person who has not made a paid registration. All confirmation letters will be sent using email. **Direct your request for Letter of Invitation to Tracy Broz at: tracy.broz@swtest.org**. Please note that the confirmation letter does not guarantee that you will receive an entry Visa. Entry Visa information can be found at Bureau of Consular Affairs website -> https://visawebapp.boca.gov.tw/BOCA_EVISA/

Q-Hotels for SWTest 2022

Upon entry into Taiwan, all visitors are required to follow a three-day isolation quarantine period (whereby arrival is considered Day 0) followed by a four-day self-initiated epidemic prevention period at the same place of lodging. All travelers are required to arrange their local quarantine hotel prior to arrival and follow other regulations and instructions from the Taiwan Centers for Disease Control. During the self-epidemic prevention period of the four-days, travelers can come-and-go from the hotel while always wearing a mask.
